

OFFICE OF LEGISLATIVE COUNSEL

1. (Internal Use Only - JGO) Delivered to Robert Blum, Senate Foreign Relations Committee staff, the declassified OSS documents requested for use in the Committee study on Indochina. Blum said he would review them as soon as possible since some appear to be quite fuzzy and not usable without reference to the originals. In particular he asked if another copy could be made of the Giap calling card and the hand-written note on the back of the card. An identical copy of the documents is being delivered today to the Archivist of the United States by Mr. [redacted] in the office of the Special Assistant for Information Control. Mr. [redacted] has been advised.

2. (Unclassified - JGO) In response to his call, I picked up from Jack Norpel, Senate Internal Security Subcommittee staff, documents for forwarding to [redacted] OS.

3. (Internal Use Only - JGO) Picked up from Dr. John Brady and Robert Boyer, House Foreign Affairs Committee staff, five copies of the Committee page proof of the report of a staff survey team "The U. S. Heroin Problem and Southeast Asia." Boyer also asked if we could provide an unclassified map of Burma showing the areas controlled by various insurgent groups for use in the final report. [] NARCOG, and [] FE Division, have been advised.

4. (Unclassified - JGO) Delivered to Ralph Preston's, House Appropriations Committee staff, office a letter for him from [redacted] IC Comptroller.
